

IWA offers different membership types, including **Individual** membership, **Corporate** membership and **University** membership. Please consult the table below to determine the 2024 membership fees associated with each membership type. Prices are shown in £ (GBP). There are options to pay in \$ (US) and €.

For more information on the membership benefits, please view the **IWA Membership Benefits table**. IWA uses a high /upper-middle / lower-middle / low income country classification for its membership fees. The HIC / UMIC / LMIC / LIC classification is based on your country of residence and not on your country of origin. Please consult the **IWA Country Classification table** to check your status.

Memberships can be taken for 1 year or 2 years, with the 2-year membership option receiving a 10% discount on the fees. Memberships are valid from the day of activation.

<sup>a</sup> Nominated Academics are selected members of staff/students of a University member. They receive the same benefits as an Individual member.

<sup>b</sup> Nominated Representatives are selected members of staff of a Corporate member. They receive the same benefits as an Individual member.

<sup>c</sup> Open Access from 2017. Subscription required to access archived issues.

<sup>\*</sup> Corporate membership includes 10 years access to the selected digital journal(s) (e.g., if subscribed in 2024, you will be able to access all issues from 2024 back to 2014). Individual membership offers a discount on journal subscriptions providing full archive access.
