Inspiring Change

IWA Corporate Membership
Together, towards a water-wise world

The International Water Association is the largest global network of water professionals working towards a water-wise world. IWA’s growing and engaged membership brings together the best scientific minds and industry specialists, to deliver world class solutions to the most pressing water management problems.

IWA provides your organisation with unique opportunities to be positioned as a key player in the global water sector. Whether you are a utility, a research centre, a consultancy or a manufacturer, by joining IWA as a Corporate Member, you have the opportunity to unlock the potential of your organisation and your staff. IWA membership supports professional and leadership development, while providing networking opportunities for your organisation and teams to become global thought leaders in water solutions.

Our offerings, your opportunities

POSITION YOUR ORGANISATION AS A THOUGHT LEADER

IWA Specialist Groups
Leverage the knowledge engine of the Association

The 50 IWA Specialist Groups are the physical and digital space for scientific and technical content development that drives innovations in the water sector. Spread across IWA’s membership in more than 130 countries, they are an effective means of international networking, sharing information and skills, and making professional and business contacts. Your Nominated Representatives can participate in different ways, from attending and presenting at Specialist Group events to contributing with content development for publications, books and newsletters.

IWA Change agendas
Shape new global thinking

The IWA Programmes aim to provide breadth, creating space within the Association for members and partners to collaborate on the global challenges facing the water sector. The three programmes – Basins of the Future, Cities of the Future and Water & Sanitation Services – respond to the 2030 agenda established through the Sustainable Development Goals, and give impetus to stimulating and disseminating knowledge and expertise from within the Association to the sector at large.

As a Corporate Member, you can engage with IWA Programmes and projects, and position your organisation as a thought leader and an agenda-setter in the water sector.
IWA Nominated Representatives
Enhance the development of your staff

Your corporate package entitles you to select key staff of your organisation to benefit from IWA membership. This is a valuable opportunity to enhance the professional development of your staff and increase the global visibility, reputation and trust of your organisation. Continuous professional development ensures that you build and maintain a competent workforce to meet the ever-changing demands of our times.

IWA Learning Hub
Join webinars and courses

IWA provides guidance and opportunities for your organisation’s Nominated Representatives to build up the competences required to succeed through short-term courses, self-paced courses and webinars. This includes a set of tools on how to develop your career, as well as opportunities of professional updating, learning, training and networking.
